Subject: Sub: Submission of an original paper with copyright agreement and authorship responsibility.

I (corresponding author) certify that I have participated sufficiently in the conception and design of this work and the analysis of the data (wherever applicable), as well as the writing of the manuscript, to take public responsibility for it. I believe the manuscript represents valid work. I have reviewed the final version of the manuscript and approve it for publication. Neither has the manuscript nor one with substantially similar content under my authorship been published nor is being considered for publication elsewhere, except as described in an attachment. Furthermore I attest that I shall produce the data upon which the manuscript is based for examination by the editors or their assignees, if requested.

Manuscript title: *Phytochemical investigation of the tender shoot of Bambusa bamboos (Linn.) Voss*

Name of Corresponding author: *Dr. A. Saraswathy*

Thanking you.
